Good morning (b)(6):(b)(7)(C)

I have a few questions about the enforcement actions in Mississippi yesterday.

Could you provide me information on the ICE raids that occurred on Tuesday in Mississippi?

How many people were detained and what businesses were targeted for the raids?

Would you be able to provide details as to what lead authorities to the businesses targeted for the raids?

How long has this investigation been ongoing?

Are there any future enforcement actions planned in the Mississippi area?

Good morning!

So I have a question about the 51 aliens we processed in February in Jackson as part of the HSI operation. Is it possible for me to find out the status of the 51 we arrested. I still can't talk about the HSI piece of this as it is still being investigated. I can at least say how many have been removed, how many are still in ICE custody and how many were released. I've received a CNN inquiry about this.

Thanks!

Subject: RE: CNN inquiry re: February enforcement operation at Jackson restaurants

Hi (b)(6):(b)(7)(C)

I have some information on the case.

I'm looking for any information you can provide about:

- What happened during that operation? Who was detained and why?
As stated previously, it is a criminal investigation and still ongoing so I can't release any details.

- Have any charges been filed against people in connection with that operation? If so, who has been charged and what are they charged with?
The case is still being investigated and we cannot discuss the particulars.

- Do the 55 people detained in that operation remain in ICE custody? Have any of them been removed from the country? (if so, how many?) Have any of them been released? (if so, how many)

Here is a current breakdown of the 55 that were detained:

18 have been removed.

18 were released on bond.

13 were turned over to other law enforcement agencies.

3 are pending removal.

2 are in detention awaiting EOIR decisions.

1 was released on their own recognizance.

I hope this help.

Thanks,

Good morning!

So I have a question about the 51 aliens we processed in February in Jackson as part of the HSI operation. Is it possible for me to find out the status of the 51 we arrested. I still can't talk about the HSI piece of this as it is still being investigated. I can at least say how many have been removed, how many are still in ICE custody and how many were released. I've received a CNN inquiry about this.

Thanks!
